

ANNEXATION GUIDELINES & PROCEDURES

City of Conway, Arkansas - Planning & Development

1201 Oak Street • Conway, AR • 72032 • 501-450-6105 • www.conwayarkansas.gov

Established through state statutes and the Conway City Ordinance O-99-95.

The City of Conway has typically annexed land through the petition process. This process, through state statute, requires submission of a petition (to the County Court) signed by more than half of the property owners and by owners of more than half the land area. The area to be annexed must be adjoining the city.

Procedure

1. The petition must be submitted to the County Court.
2. The County Court sets a public hearing date.
3. The petitioner must place a notice of public hearing in the *Log Cabin Democrat* **appearing once per week for three consecutive weeks.**
4. The County Court holds the public hearing and, if appropriate, releases the area to the City.
5. The petition is submitted to the Planning & Development department **no less than 15 days prior to the public hearing** (refer to attached schedule of meeting dates and submission deadlines). The following items must be submitted:
 1. A copy of the petition requesting annexation
 2. A non-refundable filing fee of \$325.00
 3. A copy of the plat of the proposed annexation
 1. No property will be annexed before all current configurations of parcels within the area have been identified. Upon annexation, only those parcels that are in compliance with the Subdivision Ordinance of the City of Conway shall be eligible for the issuance of building permits
 2. In order to ascertain the configuration of existing parcels of property, all applications for annexation will include a map of the area, drawn to scale showing the parcels and their ownership. The map will include:
 1. All subdivisions that have been approved by the Conway Planning Commission
 2. All subdivisions that were properly filed prior to the creation of the Planning Commission
 3. Any subdivisions that were created before the area was under the jurisdiction of the Conway Planning Commission
 4. For parcels that are not part of a legal subdivision, copies of deeds dated prior to July 1, 1986 showing the parcel in its current configuration must be submitted. If no deeds are available, parcels must be created through a legal subdivision or it must be established through deeds that the parcel was created at a time when it was not within the territorial jurisdiction of the City of Conway or those parcels will not be eligible for the issuance of building permits
 5. A copy of the legal description of the proposed annexation
 6. A copy of the order of the County Court releasing the proposed annexation
6. The City Council, if appropriate, adopts the ordinance annexing the area. If the County order of release is not available by the time the request for annexation is heard by the City Council, the City Council will, if appropriate, pass a resolution indicating the the City's intent to annex the property when it is released by the County.
7. The final ordinance must be published in the *Log Cabin Democrat*. The petitioner will be billed for the cost of the publication by the City Clerk.
8. **STREETS** - No property will be annexed to the City of Conway before it has been established in the annexing ordinance which portions of which streets within that property will be accepted as public streets for maintenance and which streets will be recognized as public streets for the sole purpose of allowing the issuance of building permits. No section of a street will be accepted for public maintenance unless the appropriate right-of-way, based on the Master Street Plan, has been dedicated by the abutting property owners.

For the convenience of the petitioners, the City has followed the custom of allowing the petitioners to bring the proposed annexation to the City Council prior to filing it with the County.

1. The Planning Commission reviews the proposed annexation and makes a recommendation to the City Council. To be placed on the agenda, the procedures in numbers 5.1, 5.2, 5.3, and 6 above must be followed and accompanied by a copy of the resolution. **Planning Commission bylaws require a representative for each request to be present at the public hearing. If no representative is present the request will be held in committee.**
2. If appropriate, the City Council passes a resolution agreeing to annex the area if the County releases it. The petitioner is responsible for submitting any other supporting documents (such as plats or descriptions) as requested by the Planning Commission and/or City Council.

All items brought before the Conway Planning Commission must be submitted no later than 15 days prior to the meeting (see attached Planning Commission schedule). A meeting is held each month at 7:00 pm in the District Court Building located at 810 Parkway Street.

All annexed areas will be assigned an address that is in accordance with the City of Conway addressing system. County 2-digit addresses will be changed to City 4-digit addresses.

Note: This is not an exhaustive guideline regarding annexations. Appropriate state statutes, county and city ordinances, and resolutions will provide additional information.
