

Minutes: Conway Bicycle Advisory Board  
July 7, 2010

**Members Present:** Greg Reddin, Peter Mehl, Jennifer Boyett, Wes Pruitt, Erik Leamon

**Members Absent:** Greg Kendrick, Diane Robinson

**Others Present:** City Engineer Ronnie Hall, Jack Bell, Tyler Bittle

The bulk of the meeting was spent reviewing the Bicycle Friendly Community application and recommending changes.

Diane Robinson and Greg Kendrick are rolling off the board in August. They have both indicated that they will not be able to serve an additional term. Some discussion occurred about who needs better representation on the board. It was noted that Chamber of Commerce, public health, school board, and the parks department have no representative. We might want to look to the Conway 2025 committees for nominees.

Jennifer discussed the upcoming alternative transportation columns. The August column will cover Safe Routes to School. Some additional ideas include the bikeshare programs at UCA and Hendrix.
