WHEREAS, Lessor covenants that it is lawfully in possession of the Soccer Park; and

WHEREAS, the Lessor has the right and authority to execute this lease under the ability and authority granted by Arkansas Code Annotated § 22-4-501; and

WHEREAS, Lessor is the current operator of the Soccer Park described herein and wishes to lease said property to the Lessee; and

WHEREAS, it is the desire of the parties to enter into this Agreement for the purpose of reducing to writing the terms and conditions regarding the use of the leased premises and the respective obligations of the parties regarding ongoing maintenance; and

WHEREAS, that Lessee shall have the quiet and peaceful possession and enjoyment of the leased premises subject to the terms stated herein during the term of this Agreement; and

WHEREAS, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, and in consideration of the mutual covenants and conditions between the parties, the parties hereby agree as follows:

1. <u>LEASED PREMISES</u>. Lessor shall lease unto Lessee the property owned by the Lessor, commonly known as the Centennial Soccer Park and located on John W Allison Road in Conway, Arkansas.

2. <u>TERM</u>. This Agreement shall commence on the ____ day of _____, 20____, and shall continue for fifteen (15) years, unless terminated as provided for in this Agreement. At the end of the original fifteen (15) year term, unless this Agreement has been terminated as provided for herein, Lessee shall have first right of refusal for an additional consecutive five (5) year terms.

3. <u>TERMINATION</u>. Either party may terminate this Agreement for any reason by giving the other party twenty four (24) months written notice within the first five (5) years of the initial term; thereafter during initial term or any approved additional term(s), a twelve (12) month written notification will be required. Any violation of this Agreement by the Lessee will be grounds for immediate termination by Lessor.

4. <u>RENT</u>. Rental for the term is in the amount of \$1.00 per year. Payment will be due at the time of signing and then upon the anniversary of the execution of this Agreement during the term of the lease.

5. <u>USE OF THE PREMISES</u>. The Soccer Park shall be used for the expressed and sole purpose of soccer leagues and other purposes consistent with soccer including but not limited to registration, practices, games, meetings, camps, tournaments, fundraisers and other soccer related activities, and for no other purpose unless expressly permitted in writing by the Lessor. Lessee will have full access and use of all fields, parking areas and facilities on the premises during the term of this Agreement subject to any limitations or exceptions contained herein. Lessee shall collect all monies paid for the use of the Soccer Park under the terms of this Agreement and use them in furtherance of their obligations listed herein. All other uses, and rates charged for such use, shall require approval of Conway City Council.

6. <u>SOCCER PARK NAME</u>. The name of the Soccer Park will remain "Centennial Soccer Park" during the term of this Agreement unless changed by the City Council. Reference to the Soccer Park on any schedules, on the Lessee's website or in any promotional/informational materials used by the Lessee will be done using the official name of the Soccer Park.

The Conway City Council must approve repairs or improvements costing \$2,500.00 or more. Lessee must provide proof of funds at the time of the request for approval of repairs or improvements costing \$2,500.00 or more. Regardless of the estimated cost of the repair or improvement, notice will be provided to the Lessor by the Lessee of the nature of the repair or improvement. All improvements or repairs to the facility will be required to meet the most recent building codes and will be subject to inspection by Lessor. In the case of an emergency repair requiring immediate attention to prevent further loss and/or damage to the property, this provision maybe be waived in a writing by the Lessor after notification from the Lessee. All permanent improvements to the Soccer Park will remain with the property after termination of this Agreement at no cost to the Lessor.

10. <u>CONSENT TO REASONABLE ENTRY</u>. Lessee will be required to have in place at all times while this Agreement is in effect an insurance policy with minimum coverage and limits as listed below. Such insurance policy or policies will list Lessor as an additional insured. Proof of said insurance coverage will be provided to Lessor upon each policy renewal. If the coverage is cancelled or not renewed for any reason, Lessee will immediately notify Lessor and all Lessee operations will cease until replacement coverage can be obtained.

Independent Living Services

Honorable Mayor Tab Townsell City of Conway Conway, Arkansas 72034

RE: Transportation Funding

Dear Mayor Townsell:

On behalf of Independent Living Services, I am requesting assistance from the City of Conway in the amount of \$30,000 to help offset a portion of the transportation costs associated with providing supported employment services to our citizens with developmental and intellectual disabilities.

Founded in 1970, Independent Living Services (ILS) is a non-for-profit agency whose mission is to assist in making a better life possible for people with developmental and intellectual disabilities living in central Arkansas (Faulkner and surrounding counties). Specifically, ILS offers services that help disabled individuals, ages 18 and older, lead an independent lifestyle. ILS is guided by several core principles, including the belief that each person has value and each person is capable of growth and development.

ILS recently expanded its services to include job development, job placement, job training, and transportation for person with disability. ILS recognizes that securing and maintaining employment is a vital component to increase the ability of persons with disabilities lead independent lives. ILS' supported employment services will include contacting and maintaining a pool of private employers who are willing to hire persons with disabilities, matching consumers with potential employers, participating in the interview process, providing job training (both in the classroom and on-site), providing job maintenance and extended services, and providing transportation assistance to and from work. If awarded, the \$30,000 will be used to help cover the cover the cost of gas, maintenance, and salaries of the drivers.

Thank you for consideration.

If you have any questions, please contact me at 501.327.5234, extension 314.

Robert D. Wright, Director of Development and Supported Employment

BOYS & GIRLS CLUB OF FAULKNER COUNTY

October 16, 2015

Mayor Tab Townsell City of Conway 1201 Oak Street Conway, AR 72032

Over the last few years, we have enjoyed a successful collaboration, working together to ensure that the youth in our community have access to safe and positive after-school and summer care. On behalf of the Boys & Girls Club, I want to express our gratitude for your support.

Our mission is to enable all young people, especially those who need us most, to reach their full potential as productive, caring, responsible citizens.

Our Club provides:

- A safe place to learn and grow for youth ages 5-18
- · Ongoing relationships with caring, adult professionals
- Life-enhancing programs and character development experiences

Transportation services are a vital part of our youth development program. We transport 190 youth daily during the school-year, totaling over 34,000 annually. Our fleet consists of 5 buses and 2 vans, ranging in age from 9-22 years old. At this point, it is necessary for us to begin to plan for cycling out the oldest vehicles and replacing them with something newer. The safety of our youth is of the utmost importance. Estimated costs associated with transportation in 2016 are \$55,000 (driver salaries, fuel, maintenance & insurance). The cost of one new shuttle van or bus would be about \$40,000.

Many revenue streams are restricted in use, disqualifying indirect program expenses. Transportation falls into this category. We strive to keep fees for Club members as low as possible. Support from the City of Conway allows us to offer programming to more youth than would otherwise be possible and for that we are thankful! We respectfully request \$65,000 in 2016 to help our organization meet this need.

Again, thank you for your investment in the future of our community! If you have any questions, please contact me at (501) 329-8849.

Sincerely,

Clint Brock Chief Professional Officer

GREAT FUTURES START HERE.

RE: 2016 Funding Request

Dear Mayor Townsell, Mr. Bell, and Members of the Conway City Council:

We would like to take this opportunity to thank you for funding our Transportation program in 2015, allowing us to continue providing transportation services to senior adults in Conway. We project providing 6,800 trips with the funding the City of Conway provided this year. These trips are exclusively within the City of Conway. This figure <u>does not</u> include trips to the Senior Wellness & Activity Center. All of these trips are provided on an individual basis to "life necessary" destinations within the Conway community such as dialysis, cancer treatment centers, medical/dental appointments, grocery stores, pharmacies, human service agencies, etc.

We are asking that the City of Conway again consider our request for \$69,000 in transportation funding in 2016. We are not asking for an increase in 2016. On an average day we receive approximately 75 phone calls related to individual transportation in Conway. The insurance costs, gas costs, and vehicle maintenance costs all continue to increase. Drivers are assessed at a far higher rate than other employees with regard to workers compensation premiums which factors heavily into the cost of providing this service. The only two funding sources we have for transporting seniors on an individual basis are the City of Conway and contributions from the people being served which this past year was \$3,328. Our average cost is currently \$11.74 per trip, however we have had some significant maintenance costs and hope to see this rate come down slightly in the coming year.

We continue to utilize our other limited transportation funding (federal, state, United Way, and fundraising) to transport senior adults to and from senior centers. We use City of Conway funding specifically to support the transportation we provide elderly citizens on an individual basis within the City of Conway to dialysis, chemotherapy, medical and dental appointments, physical rehabilitation, human service agencies, grocery stores, etc. which is by far the most costly yet critical service we provide. Approximately 20% of this transportation involves senior citizens in wheel chairs requiring vehicles equipped with a lift. Although we accept donations, no fees are charged for this service, so the services we provide are not cost prohibitive to anyone.

In the absence of providing public transportation itself, the City of Conway has historically provided support to our organization for making this service available to all of its citizens age 60 and older. This is just one of many examples of what separates Conway from so many other communities, large and small, with regard to being a community that cares about, and cares for, its dependent citizens. It takes so little and means so much. We deeply appreciate your commitment to those who depend upon these services and we thank you for your consideration and support.

Sincerely,

Debra Robinson

The workload and availability of the contractor along with the details of a specific project may result in a more competitive price and/or a different minimum amount. THIS REDEMPTION AGREEMENT AND WAIVER (this "<u>Agreement</u>") is entered into as of this day of December, 2015, by and among the **City of Conway, Arkansas**, a municipality under the laws of the State of Arkansas (the "<u>City</u>"), **Nucor Corporation**, a Delaware corporation (the "<u>Company</u>"), **Covent Corporation**, a Delaware corporation ("<u>Covent</u>"), and **The Bank of New York Mellon**, a New York state banking corporation (the "<u>Trustee</u>"). Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the Indenture (as hereinafter defined).

WHEREAS, the City has issued and outstanding Industrial Development Revenue Bonds due December 1, 2025 (the "<u>Bonds</u>"), which have an aggregate principal balance of \$38,000,000;

WHEREAS, the Bonds were issued pursuant to that certain Trust Indenture dated as of December 1, 1995, between the City, as issuer, and the Trustee, as trustee (the "<u>Indenture</u>");

WHEREAS, the proceeds of the sale of the Bonds were used to finance the acquisition, construction and equipping of the Project, which the Company leases from the City pursuant to that certain Lease Agreement dated as of December 1, 1995 (the "Lease");

WHEREAS, the Company wishes to have the Bonds redeemed, and pursuant to the Lease has the right to cause such redemption;

WHEREAS, Section 302 of the Indenture provides that, among other things, the City must give the owners of the Bonds ("<u>Owners</u>") notice in writing of the call for redemption and the numbers, principal amounts and maturities of the Bonds being called and the date on which they will be called;

WHEREAS, Covent, as the sole Owner, desires to waive such notice requirement.

NOW THEREFORE, for and in consideration of the foregoing premises, the agreements herein contained, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. <u>Bonds for Redemption</u>. Pursuant to Article III of the Indenture, the City hereby calls for redemption all of the Bonds issued and outstanding, specifically:

- (a) Bond No. R-1 dated December 20, 1995, maturing December 1, 2025, in the principal amount of \$36,000,000; and
- (b) Bond No. R95-1 dated December 31, 1998, maturing December 1, 2025, in the principal amount of \$2,000,000.

2. <u>Waiver of Notice Requirements</u>. The Trustee, the City and Covent each hereby waives any requisite notice required for the redemption and deems this Agreement is sufficient to satisfy the terms and conditions to cause a full redemption of the Bonds as set forth in the Indenture.

3. <u>Effectiveness</u>. The parties hereto agree that the redemption shall occur at 9:00 a.m. CT one (1) business day after final execution of this Agreement (the "<u>Effective Time</u>"). As of the Effective Time, the Bonds will cease to bear interest and shall no longer be protected by the Indenture or be deemed to be outstanding under the provisions of the Indenture. Covent's rights, as Owner, shall be limited to receipt of the principal amount being redeemed plus accrued interest to the redemption date noted above. Promptly

after the Effective Time (but in any event within one (1) business day), Covent agrees that it will destroy the original Bond certificates and provide written notice of such destruction to the Issuer and the Trustee.

4. <u>Direct Payment</u>. The parties hereto acknowledge and agree that, notwithstanding anything to the contrary contained in the Indenture or any Bond, (a) the payment of principal of and interest on the Bonds shall be made directly by the Company to Covent at the Effective Time, and (b) no funds will be, or are required to be, deposited with the Trustee in connection with such redemption.

5. <u>Direction and Indemnification</u>. The Company hereby directs the Trustee to execute and deliver this Agreement and agrees to indemnify and hold harmless the Trustee pursuant to and in accordance with Section 8.6 of the Lease.

6. <u>General Provisions</u>.

(a) <u>Severability</u>. Any term or provision of this Agreement which is invalid or unenforceable in any jurisdiction shall, as to that jurisdiction, be ineffective to the extent of such invalidity or unenforceability without rendering invalid or unenforceable the remaining terms and provisions of this Agreement or affecting the validity or enforceability of any of the terms or provisions of this Agreement in any other jurisdiction.

(b) <u>Governing Law</u>. This Agreement shall be governed by, and construed in accordance with, the laws of the State of Arkansas.

(c) <u>Counterparts; Facsimile</u>. Under Arkansas law, the City is empowered under Arkansas Code Annotated § 18-15-201, *et seq.*, and other statutory authority to condemn real property by eminent domain for the purposes of streets, parks, boulevards, and public buildings (among other lawful purposes); and

Whereas, as part of the planning, construction and maintenance of the City's right of way for the 6th Street I-40 Overpass and Amity/Elsinger Intersection Modifications ("the Project"), the City is in the process of planning and developing sufficiently wide and safe roads, streets, boulevards and necessary and proper rights of way within the statutory areas relative to the corporate limits of Conway as set out in A.C.A. § 18-15-201(a)(2), the City Council for the City of Conway has found and determined that it is necessary for public purposes to acquire the real properties described herein upon which to construct and maintain said roadway, street and utility easements. Being unable to reach an agreement and compromise as to the amount of just compensation to pay the landowner, it is now necessary for public purposes to acquire the real properties described herein upon which to construct and maintain said roadway and utility easements. Because the City has established a legitimate public purpose for said properties, it is empowered under A.C.A. §18-15-201 to seek condemnation through eminent domain of the properties as described herein and to properly compensate the owners of said lands pursuant to state law.

Whereas, to secure timely access to said real properties, however, it is necessary that eminent domain authority be declared, established, and exercised for the purpose of the construction, maintenance, and public use of the improved roadway, streets, boulevards, utilities, rights of way, and appropriate appurtenances developed thereto. As well and on behalf of the public, the City must continue ownership and control of the real property described herein, as necessary for the public purposes of continued maintenance, traffic control, safety, drainage and necessary and proper services throughout the affected areas and properties described herein.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CONWAY, ARKANSAS:

Section 1: The City Council for the City of Conway hereby finds and determines that it is necessary for public purposes to acquire the real properties owned by certain landowners described herein upon which to construct and maintain said roadway, streets, boulevards and necessary easements. Being unable to reach an agreement and compromise as to the amount of just compensation to pay the respective landowners, it is necessary for public purposes to acquire the real properties owned by these landowners described herein upon which to construct and maintain said roadway, streets, boulevards, utilities and necessary easements. Because the City has established a legitimate public purpose for said properties, the City is empowered under A.C.A. §18-15-201 to seek condemnation through eminent domain of the properties described herein and to properly compensate the owners of said lands pursuant to state law.

Section 2: William Hogan and Chris Hogan own real estate upon and along the Project area which is needed for the Project, more particularly described below:

A parcel of land situated in the E ½, NE ¼ Section 7, Township 5 North, Range 13 West, City of Conway, Faulkner County, Arkansas more particularly described as follows:

Beginning at a point 600 feet East and 721.72 feet North of the Southwest Corner of said E ½, NE ¼ Section 7 thence North 234.00 Feet to the southerly Right of Way line of 8th Avenue; thence along said southerly Right of Way line S59⁰19'00E, 174.00 feet; thence South 250.00 feet; thence N54⁰59'49"W, 182.68 feet to the Point of Beginning and containing 0.83 acres more or less.

Together with the rights, easements and privileges in or to said lands that may be required for the full enjoyment of the right herein granted.

Section 3: To secure timely access to said real properties, however, it is necessary that eminent domain authority be declared, established, and exercised for the purpose of the construction, maintenance, and public use of the improved roadway, streets, boulevards, utilities, rights of way, necessary and proper easements and appropriate appurtenances developed thereto. As well and on behalf of the public, the City must continue ownership and control of the real property described herein, as necessary for the public purposes of continued maintenance, traffic control, safety and necessary and proper rights of way and easements throughout the affected areas and properties described herein.

Section 4: The Office of the City Attorney of the City is hereby authorized to act on behalf of the City and initiate statutory proceedings for eminent domain and condemnation of the lands described herein for the purposes stated herein, up to and including filing appropriate legal pleadings and process in those courts of law having jurisdiction over such process and proceedings.

Re: CCTV System for McGee Center and Sports Center

Mayor:

Due to the escalating number of theft of property occurrences at both of our sports facilities we are requesting the installation of CCTV System at both the McGee Center and Sports Center located in the Don Owen Complex.

The IT Department did an RFQ for services and Alarmtec was chosen as the vendor for CCTV operations.

The IT Department will have to install some POE switches at an estimated cost of \$5,700.00.

We are requesting council approval for the CCTV system (\$30,900) and the POE switches (\$5,700). This project would utilize the Parks and Recreation A&P funds.

Timbo

Sample Report Types

Annual GL Reports

"What is a 5-year trend on Overtime spending?"

Annual Year allows users to evaluate 'big picture' trends, perform multi-year analysis, and communicate budget plans by visualizing expenses, revenues, or both concurrently. Data can be broken down by Fund, Department, Activity, Division, Program, Unit, Site, Resource, or even Revenue Type and Expense Type. This allows for analysis across multiple funds, all the way down to a single object in your Chart of Accounts.

Current Year GL Reports

"How am I performing compared to the Budget?"

Current Year allows users to evaluate monthly trends in the current fiscal year, perform multi-year comparative analysis, and communicate budget to actual variance for both expenses, and revenues. Data can be broken down by Fund, Department, Activity, Division, Program, Unit, Site, Resource, or even Revenue Type and Expense Type. This allows for analysis across multiple funds, all the way down to a single object in your Chart of Accounts. Department heads, directors, and council members can see how the expenses or revenues are trending against the budget through the most recent month.

Automatically calculate **budget** to **actual** variance in both dollar amount and percentage.

Transactions / Open Checkbook Reports

"What have we spent with a vendor in the past 7 years?"

The Transactions report allows users to present and communicate every transaction used to facilitate government activities. Check registers, P-Card, revenues, collections, encumbrances, transfers, can all be tracked in a single filterable report. Filter millions of transactions by type, department, vendor, check date, invoice date – the possibilities are endless. Tie multiple systems of record into one place for a comprehensive filterable database. OpenGov doesn't care if your data comes from 10 sources, it can all be housed in a single location!

Balance Sheet Reports

"What is our Fund Balance/Cash Balance through June?"

Balance sheet visualizes the municipalities Assets, Liabilities, and Equities. This allows you to easily provide updates on your cash and investments to the state or auditors. It also allows you to easily visualize the balances in each of your Funds. The biggest advantage, like all of our reports, it the functionality to filter and dynamically drilldown through your own balance-sheet instead of flipping through a pdf document.

Performance / Non-Financial Reports

"How are non-financial operations performing against goals and objectives?"

Visualize any non-financial data (e,g., 311 response times, utilities reports, crime rates, pet adoptions, etc.) using advanced tabular reports and visualizations.
